The Essence of LSUC's The Former Presidents Scholarship

Scholarship Awards are more than just fee discounts. Here's the real purpose behind them:

1. Honor Zambia's Legacy Through Education

Each scholarship ties LSUC's mission to the legacy of Zambia's 6 former Presidents. From KK's "One Zambia, One Nation" to later presidents' focus on economic growth, we're saying: "Education builds the Zambia they envisioned." It connects students to national history and pride.

2. Make Quality Education Accessible

With discounts from 20% to 70%, we remove financial barriers. A 70% KK Award can cut a K10,000 tuition to K3,000. That's the difference between a youth staying home vs. becoming a skilled graduate. It's practical empowerment, not just charity.

3. Reward Merit + Need + National Service

The tiered % reflects contribution: 70% KK Award – highest honor for founding father's vision of free education for all 20% ECL Award – recognizes recent efforts to expand universities
Students choose an award that resonates with them, while LSUC supports 1,200 students across both intakes.

4. Build LSUC's Brand as "Zambia's Premium Institution"

Naming awards after presidents positions LSUC as a national institution, not just another college. It signals stability, patriotism, and alignment with Zambia's development agenda. Parents trust it. Students feel proud.
